

March Fitness Classes

Fitness class registration begins on the 15th of February for March. If class is full new participants must wait until the first of March to see if space becomes available. Registration minimum must be met one business day prior to beginning of class, or class is subject to cancellation.

The prices on this flyer are for the calendar month for six month and annual pass holders only. If you don't have a six-month or annual pass you can pay for classes on a drop in basis. If you would like to drop into one day of a class cost is \$4 to \$6 **plus** admission. Please ask at front desk for monthly non-pass price.

We have a new option for Six month and annual pass holders.....\$25 for unlimited drop in. It can be used for any class that is not full, first come first serve. Sign in for each class at the front desk. This option is not transferable, not refundable, and may not be extended.
